FOR 80 YEARS, WE’VE BEEN CHANGING LIVES.

Many organizations focus on one cause, but United Way looks at Broward County as a whole and unites our community to tackle the most complex challenges and create long-lasting, positive change.

United, we stand up for those who can’t stand up for themselves.
United, we confront the struggles of those who are working hard and falling short.
United, we fight for the health, education and financial stability of every person in our community.

Join us…LIVE UNITED.

UNITED WAY OF BROWARD COUNTY
FIGHTS FOR THE
HEALTH, EDUCATION AND
FINANCIAL STABILITY
OF EVERY PERSON IN
OUR COMMUNITY.

United Way invests in programs that ensure your neighbors have the opportunity to achieve optimal health. Your support provides access to quality healthcare, dental programs and nutritious food for those who do not know where to get their next meal.

EDUCATION

Through United Way, you help today’s youth achieve their greatest potential by focusing on early learning and leadership programs. You’re the reason children are well-fed and ready to learn, students are reading at grade level and teens are equipped with the skills to avoid risky behavior. Your gift provides the support our children need to be prepared and successful.

FINANCIAL STABILITY

Thirty-seven percent of all households in Broward County are one emergency away from falling into poverty. Through United Way, you are ensuring individuals and families have the skills and tools needed to earn, keep and grow their assets. Your generosity provides the building blocks to create a better life.
