United Way of Broward County is an architect of solutions for challenges faced by many people in our community. The goal is to help people reach their fullest potential through a quality education, give families the support they need to earn, keep and grow assets, and educate individuals how to make smart decisions about their health.

United Way, along with community volunteers who are experts in their fields identify specific unmet needs, and then seek partners and funds to develop programs delivering measurable results. Through a collaborative approach, the best people, ideas, talents and resources are brought together to tackle complex challenges head on and create long-lasting positive changes in Broward County.

**OVERVIEW**

To focus and unite our entire community to create significant lasting change in the impact areas of Education, Income and Health – the building blocks for a better life – which positively impacts people’s lives.

**MISSION**

United Way of Broward County will be the catalyst for change and convener of partnerships that unite hearts, minds and resources within our community.

**VISION**
COMMUNITY IMPACT

YOUTH SUCCESS
Helping children and youth achieve their greatest potential through early learning and leadership programs

Youth and families served by
11 programs with a total funding of more than $940,000.

Achievements of the youth touched by United Way of Broward County funded programs and initiatives.

- Functioning and life skills of special needs children increased by 78 percent
- Children increased their math scores by 68 percent
YOUTH SUCCESS

- Due to the increase in a parent's knowledge of child development, 98 percent of their children improved their ability to be school ready.

- Language skills of special needs children were increased 83 percent.

- Student participation in academic endeavors was increased by 89 percent and 76 percent of these students had a positive attitude towards academics.

- Of the adolescents exposed to STEM 84 percent increased their knowledge, skills, and abilities.

READINGPALS

ReadingPals is an early literacy initiative for children kindergarten through third grade. The program focuses on ensuring these children have been exposed to the wonders of literature and are reading at grade level at the end of third grade. United Way of Broward County engages, trains and deploys volunteer “reading pals” in our community. These volunteers dedicate an hour a week for 25 weeks to read in individual or small group settings. ReadingPals also provides the children with books so they can start a home library.

Achievements:
- Children with a “reading pal” increased their scores significantly in print knowledge, phonological awareness, math, and oral language.

- ReadingPal volunteers contributed more than 7,000 hours impacting more than 370 students.

- Broward County has 21 schools providing the ReadingPals program.

- More than 11,000 books were distributed to ReadingPals children.

Partners: Children Movement of Florida, Broward County Public Schools, Children Services Council, City of Fort Lauderdale, A.D. Henderson, PNC Bank and Carol and Barney Barnett.
