## **Independent Auditor's Report**

Board of Directors  
United Way of Broward County, Inc.  
Fort Lauderdale, Florida

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of United Way of Broward County, Inc. (the "Organization"), which are comprised of the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of United Way of Broward County, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedules as noted in the table of contents, as required by Chapter 65E-14, Florida Administrative Code, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary schedules and the accompanying schedule of expenditures of federal awards ("supplementary information") is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such supplementary information has been subjected to the auditing

procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 18, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

## Notes to Financial Statements

---

### 1. General

United Way of Broward County, Inc. (the “Organization”) is a volunteer-driven, not-for-profit organization whose mission is to focus and unite the entire community to create change in the community impact areas of education, income and health. The Organization was incorporated in the State of Florida in 1976. Revenues are derived principally from contributions that are received from year-round fundraising activities that the Organization conducts via direct solicitation to individual and corporate donors as well as from fundraising events.

During the year ended June 30, 2022, the Organization incurred a net loss of approximately \$6.8 million. Investment performance deteriorated in fiscal year 2022, resulting in significant unrealized investment losses, however, the Organization also incurred additional program service expenses during fiscal year 2022. The additional program service expenses were partly a result of the Organization’s planned use of the unrestricted gift received during the year ended June 30, 2021 from philanthropist, MacKenzie Scott, of \$20 million (Note 12). The planned use of this gift is expected to continue over the next few years, which could result in the Organization’s financial statements having more expenses than revenues in any given year, as the revenue from this gift was recorded in the year the gift was received (fiscal year 2021) and the expenses are being incurred subsequently.

### 2. Summary of Significant Accounting Policies

#### *Basis of Accounting*

The Organization prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

#### *Basis of Presentation*

Net assets, revenues, gains and losses are classified into two classes of net assets based on existence or absence of donor-imposed restrictions. The two classes of net asset categories are as follows:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization’s management and the Board of Directors.

*Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the accompanying Statements of Activities.

#### *Accounting Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of assets and liabilities at the date of the financial statements, the reported amounts of public support, revenues, allocations, and expenses during the reporting period. Actual results could differ from those amounts.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### ***Concentrations of Credit and Market Risk***

Financial instruments which potentially subject the Organization to concentrations of credit and market risk consist primarily of cash and cash equivalents, receivables, and investments. The Organization maintains cash balances at a financial institution in South Florida. Accounts in the institution are insured by the Federal Deposit Insurance Corporation in accordance with current regulations, which provides for insurance up to \$250,000.

At times, balances in these accounts may exceed these federally insured limits. Cash equivalents are maintained at high-quality financial institutions. The Organization has not experienced any losses on its cash and cash equivalents.

Credit risk is the possibility that a loss may occur from the failure of another party to perform according to the terms of a contract. Management considers credit risk associated with receivables to be low due to the diversity of the donors and the recurring nature of many donations. Investments are subject to both credit and market risks. Market risk is the possibility that fluctuations in the investment market will impact the value of the portfolio. The Organization has an investment policy and utilizes management oversight, and periodically reviews its investment portfolios to monitor these risks.

### ***Cash and Cash Equivalents***

The Organization considers all highly liquid investments held at financial institutions with a maturity of three months or less when purchased to be cash equivalents.

### ***Investments***

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the Statements of Financial Position.

Fair values of financial instruments are estimated using relevant market information and other assumptions. Fair value estimates involve uncertainties and matters of significant judgment regarding interest rates, credit risk, prepayments, and other factors, especially in the absence of broad markets for particular instruments. Changes in assumptions or in market conditions could significantly affect the estimates. The carrying amount of all financial assets and liabilities approximates fair value.

Realized and unrealized gains and losses, interest, dividends, and investment fees arising from the period are included within net investment income, in the period in which they occur, in the accompany Statements of Activities. Investment income that is limited to specific uses by donor restrictions is reported as increases in net assets without donor restrictions if the restrictions are met in the same reporting period as the income is recognized.

Cash held within the investment portfolio is presented with Cash and Cash Equivalents on the Statements of Financial Position as they are for short-term operational use.

### ***Fair Value of Financial Instruments***

The fair value of financial instruments is determined by reference to various market data and other valuation techniques, as appropriate. Unless otherwise disclosed, the fair value of financial instruments approximates their recorded values due primarily to the short-term nature of their maturities.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### **Receivables**

Contribution's receivable are promises to give from various donors that are considered unconditional. Contribution's receivable primarily consists of pledges made during annual giving campaign appeals and are presented net of the allowance for doubtful accounts. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using risk free interest rates applicable to the years in which the promises are received. The interest rate used in computing the discount of the estimated future cash flows is 3% for pledges to future campaigns that were received in the fiscal years ended June 30, 2022 and 2021. The discount will be recognized as contribution revenue in future years as the discount is amortized over the duration of the contributions.

Contribution's receivable are considered past due when the pledge payment period has passed. An allowance is recorded for each campaign year based on management's evaluation of outstanding pledges. This estimation takes into consideration current economic factors applied to the gross campaign, historical trends, and past history with specific funding sources. Actual results could vary from the estimate. Once the likelihood of collecting receivables is determined to be remote, management writes off the specific account balance and relieves any related allowance. The allowance for uncollectible contributions receivable as of June 30, 2022 and 2021 amounted to \$1,550,000 and \$2,107,878, respectively.

Grants receivable at year end represent expenditures and/or units of service performed, which have not yet been reimbursed by the granting agency. Management analyzes, on an ongoing basis, outstanding accounts individually to determine if an allowance for doubtful accounts is required. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Management determined that an allowance for doubtful accounts related to grants receivable was not deemed necessary as of June 30, 2022 and 2021.

### **Revenue Recognition**

The Organization recognizes revenue based on the existence or absence of an exchange transaction (defined as a reciprocal transaction). For transactions that represent nonreciprocal transfers and do not represent the sale of goods or services, the Organization applies *Not-for-Profit Entities: Presentation of Financial Statements of Not-for-Profit Entities* (ASC 958). Under ASC 958, revenue is recognized upon notification of the contribution and satisfaction of all conditions, if applicable.

For exchange transactions, the Organization applies *Revenue from Contracts with Customers* (ASC 606). Under ASC 606, revenue is recognized when a customer obtains control of promised goods or services in the amount that reflects consideration the entity is entitled to receive in exchange for those goods or services.

Revenue from non-reciprocal transactions consist of the following:

Annual Campaign, Disaster Relief, Business Council on Homelessness Contribution, McKenzie Scott Contribution, Legacy and Bequest Contributions

The majority of the Organization's activities are supported by contributions from corporations, employers/employees of for-profit, non-profit, individuals, public and private foundations. Contributions are recorded within the Statement of Activities as with or without donor restrictions,

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

depending on the inclusion or absence of donor restrictions. All contributions are considered to be available for unrestricted use and are recognized in the period the pledge is received, unless specifically restricted by a donor.

Donor restrictions are those in which the donor has designated the funds for future periods or for a specific purpose. Contributions with donor restrictions are not recognized until the conditions on which they depend have been substantially met. When a donor restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and are reported in the Statements of Activities as net assets released from restrictions. Donor-restricted contributions whose restrictions expire during the same fiscal year are recognized as contributions without donor restrictions.

Contributions of assets other than cash are recorded at estimated fair value at the date of receipt.

The Organization accepts cash or other financial assets from donors and agrees to transfer those assets to a specified qualified beneficiary, which the Organization refers to as donor designations. The Organization, as an intermediary, recognizes the fair value of those assets as a liability to the specified beneficiary concurrent with the recognition of the assets received from the donor. Designations to specific not-for-profit organizations other than the Organization are reflected as annual campaign contributions raised during the year offset by the donor designations to arrive at net annual campaign contributions. Donor designations that were pledged for the years ended June 30, 2022 and 2021 are \$1,258,075 and \$865,402, respectively, and are not included in net revenues.

The Organization had one donor that represented approximately 32% and 31% of total annual campaign contributions presented in the accompanying Statements of Activities for the years ended June 30, 2022 and 2021, respectively.

### Federal, State, and Private Grant Revenue

The Organization receives a significant portion of its revenues from government and private grant contracts to serve the public. The amounts received under these grants and contracts are designated for specific purposes by the granting agencies and conditional upon the incurrence of allowable qualifying expenses. Revenue is recognized when the Organization has incurred allowable qualifying expenses as defined by the individual grants and contracts satisfying the required conditions.

### Grant Revenue Paycheck Protection Program (“PPP”)

The Organization has elected to account for the PPP funds in accordance with Financial Accounting Standards Board (“FASB”) ASC 958-606, Not-for-Profit Entities Revenue Recognition. Under this method, the Organization recognized the PPP funding amount as revenue (Grant Revenue - Paycheck Protection Program) during the year ended June 30, 2021, as the related conditions were deemed substantially met by management.

The Organization received formal forgiveness from the U.S. Small Business administration (“SBA”) in 2021 for the full amount of the loan. Refer to Footnote 13 for additional information.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

Revenue from exchange transactions consist of the following:

### Special Event Revenue

The Organization conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event— the exchange component, and a portion represents a contribution to the Organization. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the Organization. The contribution component is the excess of the gross proceeds over the fair value of the direct donor benefit. The direct costs of the special events, which ultimately benefit the donor rather than the Organization, are recorded as costs of direct donor benefits in the accompanying Statements of Activities.

### ***Beneficial Interests in Assets Held by Others***

Beneficial interests in assets held by others represents investments in perpetual trusts held by the Community Foundation of Broward Inc., in the name of the Organization. As of June 30, 2022 and 2021, the fair value of these funds were \$1,035,454 and \$1,300,841, respectively; of these funds, \$1,000,627 is restricted in perpetuity. The net income of the funds is required to be distributed at least annually to the Organization and is to be used to support the operating activities of the Organization.

### ***Land, Buildings and Equipment, Net***

Land, buildings, equipment, and other property are recorded at cost at the date of purchase, or, if contributed, the fair value at the date of donation. Contributions of property with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions. The Organization capitalizes all expenditures for land, buildings, equipment, and other property in excess of \$5,000 and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of the related assets. When assets are sold or retired, the cost and related accumulated depreciation are removed from the accounts and a gain or loss, if any, is recognized. Repairs and maintenance that do not prolong the useful life, are charged to expense as incurred. Depreciation is calculated using the straight-line method over the estimated useful lives of various classes of depreciable assets as follows:

	Useful Life
Land	39 years
Buildings and improvements	10 to 20 years
Furniture, equipment and software	5 years

The carrying value of long-lived assets is reviewed if the facts and circumstances, such as significant declines in revenues, earnings or cash flows or material adverse changes in the operating climate, indicate that they may be impaired.

If any impairment in the value of the long-lived assets is indicated, the carrying value of the long-lived assets is adjusted to reflect such impairment based on the fair value of the impaired assets or an estimate of fair value based on discounted cash flows. Management determined that there was no impairment of long-lived assets during the years ended June 30, 2022 and 2021.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### ***Donated Services***

A substantial number of volunteers have donated significant amounts of their time to the Organization's fund-raising campaigns. The value of these services has not been reflected in the accompanying financial statements since the services do not require specialized skills, and hence, do not meet the criteria for recognition under U.S. GAAP.

### ***Allocations to Agencies***

Annually, the Board of Directors decides which not-for-profit agencies will receive funding from the Organization. The Board of Directors' decisions are based on an evaluation of the funding requests from the various agencies and the availability of net assets without donor restrictions. Once the Board of Directors has determined and approved the allocation amounts and the designated agencies, the liability and the related expense is recorded.

### ***Donor Designations Payable***

Donor designations payable at June 30, 2022 and 2021, are \$219,613 and \$182,471, respectively.

Partner agencies receiving designations from the Organization are charged an administrative fee based upon amounts received in accordance with United Way Worldwide guidelines. Administrative fees of up to 10% of the amounts designated, subject to certain limitations, are netted against donor designations.

### ***Refundable Advances and Deferred Revenue***

Monies received in advance that are not recognized because the conditions to recognize revenue have not been substantially met or explicitly waived are considered refundable advances and are recorded as liabilities. In addition, monies received in advance from special events that are considered exchange transactions are deferred to the applicable period.

Refundable advances for the year ended June 30, 2022 and 2021 was \$764,851 and \$268,646, respectively, and included within accounts payable and accrued expenses within the Statement of Financial Position.

### ***Allocations of Functional Expenses***

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and support services benefited.

Expenses that can be directly identified with the program or supporting service are reported as expenses of those functional areas. Other expenses are allocated among program and supporting services based on a pro-rata estimate of utilization. Personnel expenses are allocated on the basis of estimated time and effort.

### ***Income Taxes***

The Organization is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and from state income taxes under similar provisions in the Florida Income Tax Code. Accordingly, no provision for federal or state income tax is required.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

The Organization recognizes and measures tax positions based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in interest expense and other non-interest expense, respectively.

The U.S. Federal jurisdiction is the major tax jurisdiction where the Organization files income tax returns. The Organization is generally no longer subject to U.S. Federal examinations by tax authorities for years before 2019.

### ***Adopted Accounting Pronouncement***

#### ***Contributed Nonfinancial Assets***

In September 2020, the FASB issued Accounting Standards Update (ASU) 2020-07, *Not-For-Profit-Entities (Topic 958): Presentation and Disclosures by Not-For-Profit-Entities for Contributed Nonfinancial Assets*. This ASU amends guidance for not-for-profit entities that receive contributed nonfinancial assets. The update requires not-for-profits to present contributed nonfinancial assets as a separate line item in the Statement of Activities, and to disclose information regarding each type of contributed nonfinancial asset. The update is to be applied on a retrospective basis and is effective for annual reporting periods beginning after June 15, 2021, and for interim reporting periods beginning after June 15, 2022. The Organization adopted this pronouncement during the year ended June 30, 2022, which resulted in no significant impact to the financial statements or disclosures.

### ***Recent Accounting Pronouncement***

#### ***Lease Accounting***

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which amends existing lease guidance. The update requires lessees to recognize a right-of-use asset and related lease liability for many operating leases now currently off-balance sheet under current U.S. GAAP. Also, the FASB has issued amendments to the update with practical expedients related to land easements, lessor accounting, and disclosures related to accounting changes and error corrections.

The update originally required transition to the new lease guidance using a modified retrospective approach which would reflect the application of the update as of the beginning of the earliest comparative period presented.

A subsequent amendment to the update provides an optional transition method that allows entities to initially apply the new lease guidance with a cumulative-effect adjustment to the opening balance of equity in the period of adoption. If this optional transition method is elected, after the adoption of the new lease guidance, the Organization's presentation of comparative periods in the financial statements will continue to be in accordance with current lease accounting guidance. The Organization is evaluating the method of adoption it will elect. The update is effective for fiscal years beginning after December 15, 2021, and for interim periods within fiscal years beginning after December 15, 2022, with early application permitted. The Organization is currently evaluating the effect the update will have on its financial statements.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### 3. Liquidity and Availability of Resources

The Organization maintains an informal policy of structuring its financial assets to be available as general expenditures, liabilities and other obligations come due. The Organization engages qualified third party investment advisors to invest excess cash net of working capital in instruments as stipulated under the Investment Policy. The policy is reviewed annually by the Finance Committee. Market performance is monitored continuously, including review of quarterly reports and watch list of invested funds. Furthermore, the Executive Committee as well as the Board of Directors review the Statements of Financial Position and Statements of Activities results periodically.

In managing its liquidity needs in accordance with policies established by the Board, the Organization's investment managers invest largely in mutual funds, equities and fixed income securities which are considered highly liquid as there are no preventative lockups or restrictions and can be readily liquidated to cover operating needs.

The Organization's financial assets available within one year of the Statement of Financial Position date for general expenditures as of June 30 are as follows:

<i>As of June 30,</i>	<b>2022</b>	<b>2021</b>
Cash and cash equivalents	\$ 2,157,951	\$ 1,629,428
Investments	20,291,195	26,010,604
Contributions receivable, net	3,840,427	4,160,667
Grants receivable and other receivables	1,580,131	1,031,401
Beneficial interest in assets held by others	1,035,454	1,300,841
<b>Total Financial Assets</b>	<b>28,905,158</b>	<b>34,132,941</b>
Less: net assets with donor restrictions not available within one year	1,220,454	1,621,098
<b>Total Financial Assets not Available to be Used within One Year</b>	<b>1,220,454</b>	<b>1,621,098</b>
<b>Financial Assets Available to Meet General Expenditures within One Year</b>	<b>\$ 27,684,704</b>	<b>\$ 32,511,843</b>

*The remainder of this page intentionally left blank.*

### 4. Investments and Fair Value Measurements

The FASB ASC 820, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

*Equity securities:* Quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

*Debt securities:* Quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

*Beneficial interests in assets held by others:* Fair value is derived principally from inputs that are not observable. The Organization calculates the investment value using its respective interest in the pooled funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

# United Way of Broward County, Inc.

## Notes to Financial Statements

The following tables sets forth by level, within the fair value hierarchy, the Organization's investments at fair value excluding cash and cash equivalents included within in investment balances as of June 30, 2022 and 2021:

### Fair Value Measurements at June 30, 2022

<i>Description</i>	June 30, 2022	Quoted Prices		
		In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Equity securities	\$ 10,151,981	\$ 10,151,981	\$ -	\$ -
Debt securities	10,139,214	10,139,214	-	-
	<b>\$ 20,291,195</b>	<b>\$ 20,291,195</b>	<b>\$ -</b>	<b>\$ -</b>
<b>Beneficial Interest in Assets Held by Others</b>	<b>\$ 1,035,454</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 1,035,454</b>

### Fair Value Measurements at June 30, 2021

<i>Description</i>	June 30, 2021	Quoted Prices		
		In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Equity securities	\$ 10,551,756	\$ 10,551,756	\$ -	\$ -
Debt securities	15,458,848	15,458,848	-	-
	<b>\$ 26,010,604</b>	<b>\$ 26,010,604</b>	<b>\$ -</b>	<b>\$ -</b>
<b>Beneficial Interest in Assets Held by Others</b>	<b>\$ 1,300,841</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 1,300,841</b>

*The remainder of this page intentionally left blank.*

## Notes to Financial Statements

The following tables present additional information about Level 3 assets measured at fair value. Both observable and unobservable inputs may be used to determine the fair value of positions that the Organization has classified within the Level 3 category. As a result, the gains and losses for assets within the Level 3 category may include changes in fair value that were attributable to both observable (e.g., changes in market interest rates) and unobservable (e.g., changes in unobservable long-dated volatilities) inputs. Changes in Level 3 assets measured at fair value for the years ended June 30, 2022 and 2021 are as follows:

### Fair Value Measurements at June 30, 2022

	Beginning Balance	Investment Fees	Investment Earnings	Amount Appropriated for Expenditures	Total
Beneficial interest in assets held by others	\$ 1,300,841	\$ (18,269)	\$ (192,168)	\$ (54,950)	\$ 1,035,454

### Fair Value Measurements at June 30, 2021

	Beginning Balance	Investment Fees	Investment Earnings	Amount Appropriated for Expenditures	Total
Beneficial interest in assets held by others	\$ 1,029,615	\$ (17,442)	\$ 342,851	\$ (54,183)	\$ 1,300,841

Investment (loss) income for the years ended June 30 are as follows:

### Year Ended June 30, 2022

	Without Donor Restrictions	With Donor Restrictions	Total
Interest, dividends and realized income	\$ 531,232	\$ -	\$ 531,232
Net unrealized loss, net	(3,525,518)	(210,437)	(3,735,955)
<b>Total Investment loss</b>	<b>\$ (2,994,286)</b>	<b>\$ (210,437)</b>	<b>\$ (3,204,723)</b>

### Year Ended June 30, 2021

	Without Donor Restrictions	With Donor Restrictions	Total
Interest, dividends and realized income	\$ 384,832	\$ -	\$ 384,832
Net unrealized gain, net	1,206,776	325,409	1,532,185
<b>Total Investment Income</b>	<b>\$ 1,591,608</b>	<b>\$ 325,409</b>	<b>\$ 1,917,017</b>

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### 5. Contributions Receivable, Net

Contributions receivable, net at June 30 are as follows:

<i>As of June 30,</i>	<b>2022</b>	<b>2021</b>
Contributions receivable due in less than one year	\$ 5,521,763	\$ 6,095,084
Contributions receivable due in one to five years	135,000	185,000
<b>Total Contributions Receivable</b>	<b>5,656,763</b>	<b>6,280,084</b>
Less: Unamortized discount	(6,336)	(11,539)
Less: Allowance for uncollectible contributions receivable	(1,550,000)	(2,107,878)
<b>Total Contributions Receivable, net</b>	<b>4,100,427</b>	<b>4,160,667</b>
Less: Contributions receivable - non-current	(128,664)	(173,461)
<b>Contributions Receivable - Current Portion</b>	<b>\$ 3,971,763</b>	<b>\$ 3,987,206</b>

### 6. Land, Buildings and Equipment, Net

Land, buildings and equipment, net, consisted of the following at June 30:

<i>As of June 30,</i>	<b>2022</b>	<b>2021</b>
Land	\$ 58,500	\$ 58,500
Buildings and improvements	2,920,264	2,798,790
Furniture, equipment and software	1,962,873	1,858,519
	<b>4,941,637</b>	<b>4,715,809</b>
Less: accumulated depreciation	(3,695,527)	(3,569,157)
	<b>\$ 1,246,110</b>	<b>\$ 1,146,652</b>

### 7. Endowment

The Organization's endowment consists of funds established for a variety of purposes related to the Organization's mission and programs. As required by U.S. GAAP, net assets associated with endowment funds, including quasi-endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

The State of Florida adopted the Florida Uniform Prudent Management of Institutional Funds Act (“FUPMIFA”). The Organization has interpreted the FUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies perpetual gifts as net assets with donor restrictions: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund not held in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by FUPMIFA.

Also included in net assets with donor restrictions is accumulated appreciation on donor restricted endowment funds which are available for expenditure in a manner consistent with the standard of prudence prescribed by the FUPMIFA, and deficiencies associated with funds where the value of the fund has fallen below the original value of the gift.

The beneficial interests in assets held by the Community Foundation of Broward, Inc. represents the Organization’s endowment assets. The assets are invested by the Community Foundation of Broward, Inc. in accordance with the investment policy and strategy of the Community Foundation of Broward, Inc. The Community Foundation of Broward, Inc. evaluates the spending rate periodically in light of the estimated long-term results from investments, fees, expenses and the effects of inflation.

As of June 30, 2022 and 2021, endowment net assets consist of the following:

### Summary of Endowment Assets at June 30, 2022:

	Without Donor Restrictions	With Donor Restrictions	Total
Original donor restricted gifts in perpetuity	\$ -	\$ 1,000,627	\$ 1,000,627
Accumulated earnings	-	34,827	34,827
<b>Total Endowment Net Assets</b>	<b>\$ -</b>	<b>\$ 1,035,454</b>	<b>\$ 1,035,454</b>

### Summary of Endowment Assets at June 30, 2021:

	Without Donor Restrictions	With Donor Restrictions	Total
Original donor restricted gifts in perpetuity	\$ -	\$ 1,000,627	\$ 1,000,627
Accumulated earnings	-	300,214	300,214
<b>Total Endowment Net Assets</b>	<b>\$ -</b>	<b>\$ 1,300,841</b>	<b>\$ 1,300,841</b>

# United Way of Broward County, Inc.

## Notes to Financial Statements

Changes to endowment net assets for the years ended June 30, 2022 and 2021 are as follows;

	Without Donor Restrictions	With Donor Restrictions	Total
<b>Endowment Net Assets, June 30, 2021</b>	\$ -	\$ 1,300,841	\$ 1,300,841
Realized and unrealized gains	-	(192,168)	(192,168)
Investment fees	-	(18,269)	(18,269)
Appropriated for expenditures	-	(54,950)	(54,950)
<b>Endowment Net Assets, June 30, 2022</b>	<b>\$ -</b>	<b>\$ 1,035,454</b>	<b>\$ 1,035,454</b>

	Without Donor Restrictions	With Donor Restrictions	Total
<b>Endowment Net Assets, June 30, 2020</b>	\$ -	\$ 1,029,615	\$ 1,029,615
Realized and unrealized gains	-	342,851	342,851
Investment fees	-	(17,442)	(17,442)
Appropriated for expenditures	-	(54,183)	(54,183)
<b>Endowment Net Assets, June 30, 2021</b>	<b>\$ -</b>	<b>\$ 1,300,841</b>	<b>\$ 1,300,841</b>

Summary of Endowment Assets:

As of June 30, 2022 and 2021, respectively, endowment assets are invested as follows:

<i>For the Years Ended June 30,</i>	<b>2022</b>	<b>2021</b>
Beneficial interest in assets held by others	<b>\$ 1,035,454</b>	<b>\$ 1,300,841</b>

### ***Funds with Deficiencies***

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies for the years ended June 30, 2022 and 2021.

### ***Return Objectives, Risk Parameters, Strategies Employed for Achieving Objectives***

The beneficial interests in assets held by the Community Foundation of Broward, Inc. are invested in accordance with the Community Foundation of Broward, Inc. investment policy.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

The Community Foundation of Broward, Inc. pools a number of funds in order to obtain greater investment advantage and more efficient administration. The objective of investment management of all funds is to maximize the growth consistent with minimizing exposure to risks of capital losses. The Community Foundation of Broward, Inc.'s investment policy is to invest initial contributions and subsequent additions to all pooled funds in equity, fixed income and other assets based on an allocation determined by the Investment Committee and approved by the Board of Directors.

### *Spending Policy*

In accordance with the donor's requirements, the Community Foundation of Broward, Inc. appropriates for distribution to the Organization each year up to five percent of the endowment fund's average fair value over the prior thirty-six months through the calendar year-end preceding the fiscal year in which the distribution is planned.

### **8. Net Assets**

Net assets without donor restrictions are used to support the operating activities of the Organization. Net assets with donor restrictions consist of the following as of June 30:

<i>As of June 30,</i>	<b>2022</b>	<b>2021</b>
Disaster relief and COVID-19	\$ -	\$ 962,599
Business council on homelessness	519,447	835,240
Accumulated earnings on endowment	34,827	300,214
Restricted for future periods	284,355	320,257

## Notes to Financial Statements

---

### 9. Annual Dues for National and State Affiliations

The Organization provides funding to the State and National United Way organizations to finance programs of research, education, and community services. Membership support is used to provide National Academy for Volunteerism training and conferencing, career development, advertising, market research, campaign assistance, National Corporate Leadership and National Football League relationships, executive search, Alexis de Tocqueville Society enrollments, product and service discounts, and consultation and technical assistance.

Payments for the years ended June 30, 2022 and 2021 are based upon the reported gross campaign contributions as follows:

<i>For the Years Ended June 30,</i>	<b>2022</b>	<b>2021</b>
State organization	\$ 45,208	\$ 45,525
National organization	414,758	311,185
	<b>\$ 459,966</b>	<b>\$ 356,710</b>

### 10. Commitments and Contingencies

In the normal course of business, the Organization has received grants which are subject to audit by agents of the relevant funding authority, the purpose of which is to ensure compliance with conditions precedent to providing such funds. Management of the Organization believes that all of the grant expenditures are properly recorded and that the liability, if any, for any reimbursement which may arise as the result of audits would not be significant.

### 11. Employee Retirement Plan

The Organization offers a defined contribution retirement plan covering all regular employees over the age of 21 and having at least three months of service. Employer contributions for the years ended June 30, 2022 and 2021, amounted to approximately \$73,000 and \$70,000, respectively.

Participant's contributions and actual earnings or losses thereon are immediately vested. Vesting in the employer's contributions plus actual earnings or losses thereon is based on years of continuous service. A participant is 100% vested after six years of service from the date that the employee is eligible to participate in the plan.

Service with other United Way organizations may be considered when determining years of service in accordance with the plan documents. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the plan document and will be considered an employer contribution during the year of forfeiture. Upon death, total disability or retirement, participants become 100% vested in their employer contributions.

# United Way of Broward County, Inc.

## Notes to Financial Statements

---

### 12. MacKenzie Scott Contribution

In December 2020, the Organization received a \$20 million gift from philanthropist, MacKenzie Scott. The gift was unrestricted and there were no requirements or conditions about how or when the money could be spent. Accordingly, the gift was included as revenue under the caption MacKenzie Scott contribution for the year ended June 30, 2021.

The Organization will be investing these funds in various initiatives to improve the lives of residents in Broward County. The most significant need, according to the latest ALICE (Asset, Limited, Income, Constrained, Employed) report, is for more available affordable housing. Working with other private and governmental funding agencies, property owners and developers, the plan is to increase the availability of affordable housing for working families. Additional funding will also be provided to support programs for health, education, and financial prosperity over the next few years. The Organization began using the funds from this contribution during the year ended June 30, 2022, resulting in higher program service expenses.

### 13. Paycheck Protection Program

On May 2020, through a local financial institution, the Organization applied for and received a Paycheck Protection Program (PPP) loan for approximately \$862,000 from the Small Business Administration (SBA). The loan accrues interest at a fixed rate of 1% and has a maturity date of two years, with payments deferred for a period of six months. The application for these funds required the Organization to, in good faith, certify that the current economic uncertainty made the loan request necessary to support ongoing operations. This certification further requires the Organization to take into account its current business activity and ability to access other sources of liquidity sufficient to support ongoing operations in a manner that is not significantly detrimental to the business.

Under the PPP, loan funds are eligible for forgiveness to the extent that they are used to cover certain payroll, rent, and utility costs and if the Organization retains employees during a specified period. The receipt of these funds, and the forgiveness of the loan attendant to these funds, is dependent on the Organization having initially qualified for the loan and qualifying for the forgiveness of such loan based on the Organization's future adherence to the forgiveness criteria. The Organization has accounted for the full balance of the PPP funds as grant income, which is included within the caption "grants and contract revenue" on the accompanying Statement of Activities for the year ended June 30, 2021. The Organization has not accrued any liability associated with the risk of an adverse SBA review.

During the year ended June 30, 2020, the Organization recognized approximately \$460,000 in Paycheck Protection Program revenue. During the year ended June 30, 2021, the Organization recognized the remaining PPP funds of approximately \$402,000 as revenue within the Statement of Activities.

On July 12, 2021, the Organization received full forgiveness on the PPP loan.

## Notes to Financial Statements

---

### 14. Subsequent Events

The Organization has evaluated events through January 18, 2022, which is the date the financial statements were available to be issued. Except as disclosed below, there are no material events that require recognition or disclosure in the financial statements.

In August 2022, the Organization purchased a property in Ft. Lauderdale, for which there was a deposit of \$15,000 as of June 30, 2022. The Organization also obtained a \$3,000,000 line of credit from a financial institution in August 2022, which will provide working capital for the Organization and was also used to fund the real estate purchase. Interest payments on the line of credit are due starting in September 2022 at the Bloomberg Short-Term Bank Yield daily floating rate plus 1.75%. The line of credit is secured by financial assets of the Organization and is due on demand.

In October 2022, the Organization extended a loan of \$2,000,000 to an unrelated third party to fund a construction of a multifamily affordable housing project. The loan is for a period of thirty years, requires no principal payments during the term, and has 0% interest. The loan is secured by a mortgage lien and security interest in the property where the housing project will be located.

## Notes to Schedules of Broward Behavioral Health Coalition State Earnings and Program/Covered Services Actual Expenses and Revenues

---

### **1. Basis of Presentation**

The Schedules of State Earnings and Program/Covered Services Actual Expenses and Revenues were prepared in accordance with the requirements of Chapter 65E-14 of the Florida Administrative Code as mandated by Broward Behavioral Health no. 34374-21 for the year ended June 30, 2022.

### **2. Basis of Accounting**

The accompanying Schedules of State Earnings and Program/Covered Services Actual Expenses and Revenues were presented on the accrual basis of accounting.

# Single Audit Reports

---

## **Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

Board of Directors  
United Way of Broward County, Inc.  
Fort Lauderdale, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Broward County, Inc. (the “Organization”), which comprise the Organization’s statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 18, 2022.

### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatement on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, a material weakness may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Fort Lauderdale, Florida  
January 18, 2023

## **Independent Auditor’s Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance**

Board of Directors  
United Way of Broward County, Inc.  
Fort Lauderdale, Florida

### **Report on Compliance for Each Major Federal Program**

#### ***Opinion on Each Major Federal Program***

We have audited the United Way of Broward County, Inc.’s (the “Organization”) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization’s major federal programs for the year ended June 30, 2022. The Organization’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

#### ***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Organization’s compliance with the compliance requirements referred to above.

#### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization’s federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the types of compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the types of compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Report on Internal Control Over Compliance***

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## Notes to Schedule of Expenditures of Federal Awards

---

### 1. Basis of Accounting

The reporting entity for the purposes of the accompanying Schedule of Expenditures of Federal Awards (the "Schedule") is the United Way of Broward County, Inc. (the "Organization"). The accompanying Schedule includes the federal award activity of the Organization under programs of the federal government for the year ended June 30, 2022. The federal award expenditures are presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

### 2. Basis of Presentation

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

### 3. Subrecipients

The following awards were received by the Organization and passed through to sub recipients during the year ended June 30, 2022:

<u>Department</u>	<u>Program</u>	<u>Assistance Listing Number</u>	<u>Expenditures</u>
U.S. Department of Health and Human Services	Block Grants for Community Mental Health Services	93.958	364,626
U.S. Department of Health and Human Services	Block Grants for Prevention and Treatment of Substance Abuse	93.959	2,288,009
