# LEAD THE WAY

**That's NextGen United  
in Broward County.**

## HELPING PEOPLE RISE AND THRIVE

United Way Broward is providing life-changing solutions to hundreds of thousands of people in our community who are facing complex challenges.

Our community-building efforts include:

- housing affordability
- educational resources to children in preschools and elementary schools
- stable, consistent access to healthy food for people experiencing food insecurity
- decreased risks and fatalities related to substance use
- comprehensive services to Veterans and their families
- companionship and activities to seniors
- and much more

We envision a community where EVERY person reaches full potential. From strengthening local resiliency to advancing health, youth opportunity, and financial security, we are working toward a future where all can rise and thrive.

## WE ARE NEXTGEN UNITED

NextGen United is where Broward County's young professionals (age 40 and under) come to build skills, build connections, and build a better community. Through high-energy networking events, hands-on volunteer projects, and unique leadership experiences, NextGen United taps into the power of United Way to help you grow, get involved, and add your passions and insights into shaping Broward's future.

United we:

- network with like-minded changemakers
- grow through innovative personal and professional development
- unite to build our community through service projects

## Build Connections to Power Broward's Future

A \$365 annual contribution – just \$1 per day – connects you to a county-wide network of young professionals who care about Broward's future. It's a powerful opportunity to meet new people, take part in meaningful projects, and plug into collective momentum helping everyone rise and thrive.

Your path into NextGen United

- a young professional who lives or works in Broward County
- commitment to give a minimum of \$365 a year
- age 40 or younger

**United Way Broward
