

# UNITE BROWARD

*Invest in change that lasts*

2015 - 2016  
ANNUAL REPORT

# OVERVIEW

United Way of Broward County is an architect of solutions for challenges faced by many people in our community. The goal is to help people reach their fullest potential through a quality education, give families the support they need to earn, keep and grow assets, and educate individuals how to make smart decisions about their health.

United Way, along with community volunteers who are experts in their fields identify specific unmet needs, and then seek partners and funds to develop programs delivering measurable results. Through a collaborative approach, the best people, ideas, talents and resources are brought together to tackle complex challenges head on and create long-lasting positive changes in Broward County.

## MISSION

To focus and unite our entire community to create significant lasting change in the impact areas of Education, Income and Health – the building blocks for a better life – which positively impacts people’s lives.

## VISION

United Way of Broward County will be the catalyst for change and convener of partnerships that unite hearts, minds and resources within our community.

# COMMUNITY IMPACT

## YOUTH SUCCESS

*Helping children and youth achieve their greatest potential through early learning and leadership programs*

**Youth and families served by  
18 programs with a total funding  
of more than \$950,000.**

Achievements of the youth touched by United Way of Broward County funded programs and initiatives.

- Approximately 300 children in the child welfare system were screened for developmental delays. Of those children, 38 percent were referred for additional services.
- 95 percent of young children improved their ability to be school ready

## YOUTH SUCCESS

- Over 75 percent of youth in our education programs increased their protective factors (self-confidence, self-esteem, self-efficacy, competencies) and decreased their risk factors (poor behaviors, substance use).
- More than 55 percent of school aged children increased their knowledge, skills, and ability to succeed in school
- Functioning and life skills were increased in 52 percent of youth
- Nearly 45 percent of children 0-5 maintained or improved their social/emotional and communication stages of child development
- Academic attitude was increased in 54 percent of school children.
- Level of functioning in was increased in 97 percent of families

### READINGPALS

ReadingPals is an early literacy initiative for children kindergarten through third grade. The program focuses on ensuring these children have been exposed to the wonders of literature and are reading at grade level at the end of third grade. United Way of Broward County engages, trains and deploys volunteer “reading pals” in our community. These volunteers dedicate an hour a week for 25 weeks to read in individual or small group settings. ReadingPals also provides the children with books so they can start a home library.

#### Achievements:

- Children with a “reading pal” increased their scores significantly in print knowledge, phonological awareness, math and oral language.
- ReadingPals volunteers contributed more than 5,600 hours impacting more than 330 students.
- The number of schools with a ReadingPals program grew to 21
- More than 8,500 books were distributed to ReadingPals children.

Partners: The Children's Movement of Florida, Broward County Public Schools, Children's Services Council of Broward, City of Fort Lauderdale, A.D. Henderson, PNC Bank and Carol and Barney Barnett

# COMMUNITY IMPACT

## MISSION UNITED

*Assisting Broward's Veterans as they re-acclimate to civilian life*

Since its inception more than 4,000 veterans and their families have been served through MISSION UNITED with a total funding of \$500,000.

MISSION UNITED is a critical program supporting US military service members, veterans and their families in Broward County by helping them re-acclimate to civilian life. Key focus areas include employment, education, health, legal assistance, emergency financial aid, and housing.

Through MISSION UNITED, United Way of Broward County aligns existing services and creates solutions where there are gaps in support.

### 2015 - 2016 ACHIEVEMENTS:

- MISSION UNITED has assisted more than 1,200 clients with one on one case management
- Free legal services have been provided to more than 1,580 clients
- More than 100 mentors have been trained and many mentor/mentee pairs have been connected
- More than 280 veterans received behavioral health services
- MISSION UNITED assisted nearly 350 veterans and their spouses with career resources including resume critique, interview skills training, and referrals to employment opportunities
- More than 590 households were served through a SSVF Homeless prevention grant received by United Way of Broward County

Partners: JM Family Enterprises, Inc., Roy and Kathryn Krause, Chase, Nova Southeastern University, Comcast and Sun-Sentinel

# SUBSTANCE ABUSE PREVENTION

*Helping children, youth and families to live healthy and drug-free*

**More than 22,000 clients and families  
were served with a total funding  
of more than \$1,880,500.**

United Way of Broward County's Commission on Substance Abuse is the county's broad based substance abuse prevention coalition dedicated to reducing substance use/abuse and all its devastating consequences on individuals, families and communities for more than 25 years.

## **ACHIEVEMENTS:**

- Decrease of 84.5 percent in hospitalizations due to Flakka
- Reduction of 9.4 percent in alcohol use by Broward youth
- Nearly 100 percent of the boys in the Broward Youth Coalition chapter were promoted to the next grade level and with over 80 percent of the chapter participants passed all their classes
- Youth who participated in Life Skills training increased their knowledge related to substance use by 26 percent
- Parents and children exposed to additional substance abuse trainings increased their knowledge and protective factors by an average of 30.4 percent
- An increase in resiliency skills to combat the risk factors in substance use and behavioral health challenges was achieved by 85 percent of youth in the child welfare system who participated in substance use education
- Through Interactive Journaling adult program participants were able to increase their self-esteem levels at 83 percent, 86 percent decreased their risk factors, and 96 percent increased their protective factors

# COMMUNITY IMPACT

## EMERGENCY NEEDS

*Providing emergency food, clothing and shelter*

**Clients and families served by  
two programs with a  
total funding of more than  
\$830,000**

### ACHIEVEMENTS:

- Supplemental Nutrition Assistance Program screenings were provided to 43 percent
- Of those served, 100 percent had their emergency needs met and were referred to other community services
- Nearly 80 percent were able to access referred services

### PROJECT LIFELINE

Project Lifeline is United Way of Broward County's response to the increased demands placed upon agencies and organizations throughout the community due to the economic hardships now facing so many of Broward County's families. Commencing in May 2009, this initiative coordinates the bulk purchases and delivery of nutritious food, including fresh fruits and vegetables, meats, rice, beans, and grains to a network of approximately 25 food banks and feeding programs in Broward County.

- More than 500,000 clients and families received over 1.5 million pounds of nutritious food
- Over 25 food banks engaged in bulk purchasing resulting in cost savings and increased volume of food

Partners: The Jim Moran Foundation, The Watts Foundation and Bi-Lo Holdings Grant
