UNITED, we've got this!

More than 50% of Broward County residents are surviving near or below federal poverty. The ALICE (Asset Limited, Income Constrained, Employed) population are working hard, but still struggling to afford essential needs — such as rent, utilities, food, child care, health care and transportation.

The number of children being raised in financial hardship in Broward County also has been increasing — **57% of all children in the county live near or below the poverty level.**

This is where United Way of Broward County is making a monumental impact.

Working side-by-side with community partners, local municipalities, businesses, philanthropists and volunteers, United Way of Broward County is operating and funding more than 130 programs and initiatives so that:

- *students receive wraparound services to help improve their social-emotional development, mental health and academic learning*
- *individual and families are being supported with financial resources to achieve prosperity*
- *every person is accessing quality healthcare to ensure physical and mental well-being*

Our United Way leverages its local presence to build a strong, resilient and equitable Broward County. We are improving the **Health, Education**, and **Financial Prosperity** of EVERY person across our incredibly diverse community — and we need your help to advance and expand our powerful impact.

United, We Are Changing Lives!

Together, we fight for the **Health, Education and Financial Prosperity** of EVERY person in our community.

"I am very proud to serve on the board of governors of United Way of **Broward County's Commission on Behavioral Health & Drug Prevention**. Through our legislative advocacy as well as various educational and community events, together we have saved thousands of lives from drug overdoses and suicides."

— **Tammy**

"When I got connected to a student-companion through **UNITED for Seniors**, I met someone who is caring and intelligent. Whenever she is with me, I am happy. She has become a part of my family."

— **Bonnie**

"Being a volunteer-mentor with United Way of Broward County's **ReadingPals** has inspired me. This program targets schools with children who need the most assistance. It means so much to me that I can be a part of their excitement and joy about education."

— **Brendan**

"I am a single parent with three children, and it has become so expensive to live in Fort Lauderdale. Because of **Housing United** and its partners, now we have a home! Much appreciation to all the donors for being there for families like ours."

— **Tania**

"The generosity of United Way of Broward County's **Project Lifeline** means the world to people like me. I have a very small income, I have five grandchildren living with me and I am so grateful for the nutritious food we have been receiving. The variety of healthy food amazes me!"

— **Churaz**

"Because of United Way of Broward County's **MISSION UNITED**, I got stable again — mentally, physically and financially. Immediately, I was happy with the care that I experienced. I have been blown away by what's available, and I want to do all that I can to help other Veterans like me."

— **John**
